Dana,

I need a favor from you. When I was entering data to the EDI it didn't flag that I needed Bicarbonate as  $\text{HCO}_3$  and Carbonate as  $\text{CO}_3$  so I forgot to convert the values to enter them for some of my sites. Unless the requirement has been changed to accept Bicarbonate & Carbonate as  $\text{CaCO}_3$  I will need you to unlock some sites I okayed to have the master file updated so that I can enter the data.

The sites I need unlocked are: Sufco 007, Sufco 041, Sufco 042, Sufco 046, Sufco 047, and Sufco 047A.

Thanks,

Mike
